## Programs

Calgary Minor Soccer Association (CMSA) is the governing body of soccer; where Calgary Northside Soccer (CNS) is a member of CMSA.

Calgary Northside Soccer (CNS) is open to players from all communities.

The indoor season runs from October 12, 2025 - April 12, 2026. The season is broken into three sub-seasons:

\* Fall (Fa): October to December (CMSA Games and/or Training). Exact dates found in Program Details.

\* Winter (Wi): January to February (CMSA Games and/or Training). Exact dates found in Program Details.

\* Prep (Pr): March to April (Training Only). Exact dates found in Program Details.

CNS offers two programs:

Community	Program Differences	CMSA / Competitive
<p><a href="https://northsidesoccer.ca/registration/community-program/">https://northsidesoccer.ca/registration/community-program/</a></p> <p>No volunteer deposit</p> <p>Players play against participants within the club. Players are taught skills for the first portion of the session then are broken into teams to scrimmage.</p>		<p><a href="https://northsidesoccer.ca/registration/cmsa-program/">https://northsidesoccer.ca/registration/cmsa-program/</a></p> <p>\$125 volunteer deposit applied at registration</p> <p>Players play games against other club teams in the CMSA league (Spring)</p> <p>Teams with a PASS Team Official(s) pay a \$100/player fee; which is applied against your credit card after team formation</p>

## Community Program

CNS has designed and implemented a new and innovative format that provides eligible players the opportunity to participate in the CMSA league.

For each age group the following applies and is included in registration:

- \* ASA Insurance
- \* Medal for U4-U11
- \* Jersey (Sizing Chart:

[https://nortsidesoccer.ca/wp-content/uploads/2025/09/Timbits\\_Soccer\\_Jersey\\_Size\\_Guide\\_-\\_Creo\\_Marketing.webp](https://nortsidesoccer.ca/wp-content/uploads/2025/09/Timbits_Soccer_Jersey_Size_Guide_-_Creo_Marketing.webp)

CNS cannot and will not guarantee that there will be teams for every age / gender / level of play and/or at every location as this depends on registration numbers. If there are insufficient registrants for an age / gender / level of play, the club reserves the right to combine age / gender / level of play and/or move Community players to a different location. The refund policy below applies as CNS still incurs administrative costs.

CNS Volunteer Admin will review registration 1-2 weeks before the start of the program to determine if there are sufficient registrants at the various Community fields. Field/Location Chart will be set based on this data:

[\(https://nortsidesoccer.ca/registration/community-program/facility-location-chart/\)](https://nortsidesoccer.ca/registration/community-program/facility-location-chart/) .

\*If you have flexibility in the time and location, please register ASAP so your field preference is represented.

\*If you must be at a specific location, you can register just before the program starts as field locations will be set ~1-2 weeks before the program starts.

### Refund Policy

The club has a strict refund policy. Refunds will be issued 2 weeks before the program starts on September 29, 2026, less an administration fee of \$100.00 per player or half of the registration fee (whichever is the lesser of the two).

After this period, a refund will only be issued for medical reasons in writing and accompanied by a doctor's note.

\* If you must be at a specific location, you can register just before the program starts as field locations will be set ~1-2 week before the program starts.

## 2026 Indoor Community Registration & Payment

### Payment

Calgary Northside Soccer is open to players from all communities. All technical training is administered by PASS coaches.

Registration fees are required at the time of registration.

Online Registration: <https://www.compusim.com/pass/registration/>

### Financial Assistance

The club wants every child to have the opportunity to play soccer, regardless of a family's economic situation. If you require financial assistance, please apply prior to registration to:

Kidsport Calgary: <https://kidsportcanada.ca/alberta/calgary/apply-for-a-grant/>

Once you receive an application confirmation, please email [registrar@northsidesoccer.ca](mailto:registrar@northsidesoccer.ca) to manually register you into the system.

For more details on payment plans or financial assistance, please reach out to [info@northsidesoccer.ca](mailto:info@northsidesoccer.ca).

## CMSA Program

Calgary Minor Soccer Association (CMSA) is the governing body of soccer; where Calgary Northside Soccer (CNS) is a member of CMSA.

Fees will be adjusted to reflect the Tier in which your child will play after evaluations and team formation. Payment structures & evaluations are based on the age groups and teams entered in age appropriate groups whenever possible.

CNS cannot and will not guarantee that teams will be entered for every age / gender / level of play as this depends on registration numbers. If there are insufficient registrants for an age / gender / level of play, the club reserves the right to combine age / gender / level of play and/or transfer CMSA players to the Community Training program. The refund policy below applies as CNS still incurs administrative costs.

Registrations after August 29, 2025 will be reviewed. If teams are not accepting players, the player will be moved to the Community Training program and the difference refunded.

For each age group, the following applies and is included in registration: ASA Insurance, Medal for U4-U9, CMSA Gear for Team Rostered Players

### Player Placement

All CMSA players U10 and older will attend player placement/evaluation session(s) at the beginning of each season. This will give our technical staff the ability to best place each player within a team at the correct developmental level. All players must be fully registered for the season to attend player placement/evaluation session(s).

### Refund Policy

The club has a strict refund policy. Refunds will be issued 2 weeks before CMSA fees are due on August 29, 2025, less an administration fee of \$250.00 per player. After this period, a refund will only be issued for medical reasons in writing and accompanied by a doctor's note.

## 2026 Indoor CMSA Registration & Payment

### Payment

Calgary Northside Soccer is open to players from all communities. All technical training is administered by PASS coaches.

Base Registration fees and a volunteer deposit for each family are required at the time of registration. The volunteer deposit is used to cover SQS certification costs and other general / related costs. Further details can be found on our website:

<https://nortsidesoccer.ca/registration/faqs/volunteers/>

Fees will be adjusted to reflect the Tier in which your child will play after evaluations and team formation. Payment structures & evaluations are based on the age groups and teams entered in age appropriate groups whenever possible.

Online Registration: <https://www.compusim.com/pass/registration/>

### Financial Assistance

The club wants every child to have the opportunity to play soccer, regardless of a family's economic situation. If you require financial assistance, please apply prior to registration to:

Kidsport Calgary: <https://kidsportcanada.ca/alberta/calgary/apply-for-a-grant/>

Once you receive an application confirmation, please email [registrar@nortsidesoccer.ca](mailto:registrar@nortsidesoccer.ca) to manually register you into the system.

For more details on payment plans or financial assistance, please reach out to [info@nortsidesoccer.ca](mailto:info@nortsidesoccer.ca).
