Programs

Calgary Minor Soccer Association (CMSA) is the governing body of soccer in Calgary, and Calgary Northside Soccer (CNS) is a proud member of CMSA.

CNS is open to players from all communities.

The Indoor season runs from October 12, 2026 - April 04, 2027 and is divided into three sub-seasons:

- * Fall (Fa): October to December (CMSA Games and/or Training). (Exact dates are listed in Program Details.)
- * Winter (Wi): January to February (CMSA Games and/or Training). (Exact dates are listed in Program Details.)
- * Prep (Pr): March to April (Training Only). (Exact dates are listed in Program Details.)

CNS offers two programs:

Community		CMSA / Competitive
https://northsidesoccer.ca/registration/community-program/ Co-ed Groupings No volunteer deposit is required. Players participate against other participants within the club. Each session begins with a skills-based training portion, after which players are placed into teams for a scrimmage. Team groupings may be adjusted based on attendance to ensure balanced and enjoyable play.	Program Differences	https://northsidesoccer.ca/registration/cmsa-program/ Gender Specific Teams A \$125 volunteer deposit is applied at registration. Players participate in league games against other club teams in the CMSA league. Teams with a PASS Team Official(s) pay a \$100/player fee, which is charged to your credit card after team formation.

Community Program

CNS has designed and implemented a new and innovative format that provides eligible players the opportunity to participate in the CMSA league.

For each age group, the following items apply and are included in registration:

- * ASA Insurance
- * Medal for U4–U11
- * Jersey (Sizing Chart:
https://northsidesoccer.ca/wp-content/uploads/2025/09/Timbits_Soccer_Jersey_Size_Guide_-_Creo_Marketing.webp)

CNS cannot and will not guarantee that there will be teams for every age, gender, level of play, and/or at every location, as this depends on registration numbers. If there are insufficient registrants for an age, gender, or level of play, the club reserves the right to combine groups and/or move Community players to a different location. The refund policy below applies, as CNS still incurs administrative costs.

CNS Volunteer Admin will review registrations 1–2 weeks before the start of the program to determine if there are sufficient participants at each Community field. The Field/Location Chart will be set based on this data:

<https://northsidesoccer.ca/facility-location/>

If you have flexibility in time and location, please register ASAP so your field preference is represented.

If you must be at a specific location, you may register closer to the program start date, as field locations will be finalized approximately 1–2 weeks before the program begins.

Refund Policy

The club has a strict refund policy. Refunds will be issued up to 2 weeks before the program start date of October 12, 2026, less an administration fee of \$100.00 per player or half of the registration fee (whichever amount is lower).

After this period, refunds will only be issued for medical reasons, submitted in writing and accompanied by a doctor's note.

CMSA Program

Calgary Minor Soccer Association (CMSA) is the governing body of soccer in Calgary, and Calgary Northside Soccer (CNS) is a member of CMSA.

Fees will be adjusted to reflect the Tier in which your child will play after evaluations and team formation. Payment structures and evaluations are based on age groups, and teams are entered in age-appropriate divisions whenever possible.

CNS cannot and will not guarantee that teams will be entered for every age, gender, or level of play, as this depends on registration numbers. If there are insufficient registrants for an age, gender, or level of play, the club reserves the right to combine groups and/or transfer CMSA players to the Community Training program. The refund policy below applies, as CNS still incurs administrative costs.

Registrations received after March 27, 2026 will be reviewed. If teams are no longer accepting players, the player will be moved to the Community Training program, and the fee difference will be refunded.

For each age group, the following items apply and are included in registration:

- * ASA Insurance
- * Medal for U4–U9
- * CMSA Gear for Team-Rostered Players

Player Placement

All CMSA players U10 and older will attend player placement/evaluation session(s) at the beginning of each season. These sessions allow our technical staff to place each player on a team that aligns with their appropriate developmental level.

All players must be fully registered for the season in order to attend player placement/evaluation session(s).

Refund Policy

The club has a strict refund policy. Refunds will be issued up to 2 weeks before CMSA fees are due on March 13, 2026, less an administration fee of \$250.00 per player.

After this period, refunds will only be issued for medical reasons, submitted in writing and accompanied by a doctor's note.

2026 Indoor CMSA Registration & Payment

Payment

Calgary Northside Soccer is open to players from all communities, and all technical training is delivered by our PASS-certified coaching team.

Base registration fees and a per-family volunteer deposit are required at the time of registration. The volunteer deposit helps offset SQS certification costs and other general program-related expenses. More information is available here: <https://northsidesoccer.ca/registration/faqs/volunteers/>

After evaluations and team formation, fees will be adjusted to reflect the Tier in which your child will play. Payment structures and evaluations are based on age groups, and teams are placed in age-appropriate divisions whenever possible..

Online Registration: <https://www.compusim.com/pass/registration/>

Financial Assistance

The club wants every child to have the opportunity to play soccer, regardless of a family's financial situation. If you require financial assistance, please apply before registering through:

Kidsport Calgary: <https://kidsportcanada.ca/alberta/calgary/apply-for-a-grant/>

Once you receive an application confirmation, please email registrar@northsidesoccer.ca so we can manually complete your registration in the system.
